

## PHASE 1 GUIDELINES FOR PARTICIPANTS

1. Only the Team Leader is required to submit the PPT.
2. The official PPT template must be used without modification.
3. The submission must not exceed 9 slides in total: 1 Header slide, 1 Team Details slide, and 7 content slides.
4. Slide titles must be retained exactly as provided and their positions must not be altered.
5. Section headings in the template must not be changed.
6. Content may be structured freely within the given headings.
7. Fonts may be chosen at your discretion, provided they are clear and legible.
8. Different fonts may be used within flowcharts or diagrams if required.
9. A one-page summary is mandatory (to be included in the Research & References slide as specified).
10. The final idea PPT must be submitted in PDF format. No resubmissions will be allowed under any circumstances.
11. Flowcharts and diagrams should be incorporated wherever relevant within the allotted space.
12. The pitch video must be submitted as an Unlisted YouTube video link.
13. The video must not exceed 180 seconds in duration.
